Dulaney Senior High School

We, as Ridgely-Dulaney students, have found that our school year has been both profitable and enjoyable. As the seasons changed, so did our sports, dress and activities. In our yearbook we have tried to show you just what these changes were and how we, as a student body, took advantage of these changes.

Graduation

Our school mascot is a great help in guiding you throughout our book. The lion may be quite small, but it doesn't really matter because his giant personality makes up for his size. He always seems to show up in the right places at just the right time.

Everyone at Ridgely-Dulaney has had a great year, not only academically but socially and athletically. Who could help but have a good year with such an enthusiastic group of students and an excellent teaching staff?

"And you can quote me on that."

"The C.O."

Dedication

Mr. Clifton Osborn

Time and effort on a teacher's part is both important and necessary in the transformation of a student into a well-rounded and responsible individual. We, as Dulaney students have recognized this sincere interest and extra effort which has been shown to us. In trying to show our deep appreciation, we, the staff of 1963 dedicate **THE HERITAGE** to Mr. Clifton Osborn.

*John -
You've done it well!
Best wishes.

Principals Message

Taking the four seasons for their foundation, the editors of the HERITAGE have developed it to provide a pictorial record of the class and year of 1963. Their choice of themes is both a versatile and appropriate one.

For nearly two hundred of our students the distribution of this annual marks the end of the season of their secondary schooling. As the first class to spend the whole of their senior high years in our school, we are indebted to them for their work in the setting of standards and the establishment of traditions which succeeding

groups are already emulating. They have successfully met the challenge of newness which in our entire history will be unique to these first classes.

Within a few months the armed services, colleges and other activities will have dispersed our graduates to all parts of the country. Although their major contribution to us has been made, the service which they will render to society through every season of their lives will be a continual reflection on Dulaney.

We wish them well.

Guidance Department

The Guidance Department at Ridgely-Dulaney offers invaluable services to all students. Every pupil brings his scheduling difficulties and personal problems to his counselor. College-bound seniors are especially concerned with the transcripts and college conferences which must be taken care of. Most students

consider the Guidance Department as a very important and necessary part of their high school years. The pupils at Ridgely-Dulaney are fortunate in having such an excellent staff of advisors as Mrs. Nell M. Craft, Mrs. Mildred R. Schmidt and Mr. James R. Bowerman.

Students take advantage of the excellent facilities offered by the Guidance department.

School librarians Mrs. Ester Sandstrom and Mrs. Anna Gallagher assist a student at the library's main desk.

Soccer

Dulaney's third soccer team showed excellent teamwork and ballhandling in their games this year. The all-round team effort was much improved over the first two years Dulaney has had a team. In spite of the discouraging record the team racked up, the fact remains that this year's team scored more than any other previous Dulaney team. In team play, Dulaney's defense, sparked by goalie Ron Rains did an excellent job of preventing other teams from scoring. Next year we expect to show a much better record due to the added experience gained this year.

Dulaney's 1963 hockey team made noteworthy improvements over last year's. The record made was two wins, three lost and three tied. Every member of the team worked hard practicing hockey skills. One of the team members, Cathy Dunn was named Dulaney's representative to the Baltimore County Field Hockey Association competition based on knowledge of team skills and social graces. She was honored by being one of the girls selected for a scholarship to Camp Merestead, Maine, a hockey camp.

Coach Helen Strieby has expressed hopes for next year's season because all but four members of the team will be playing.

Hockey

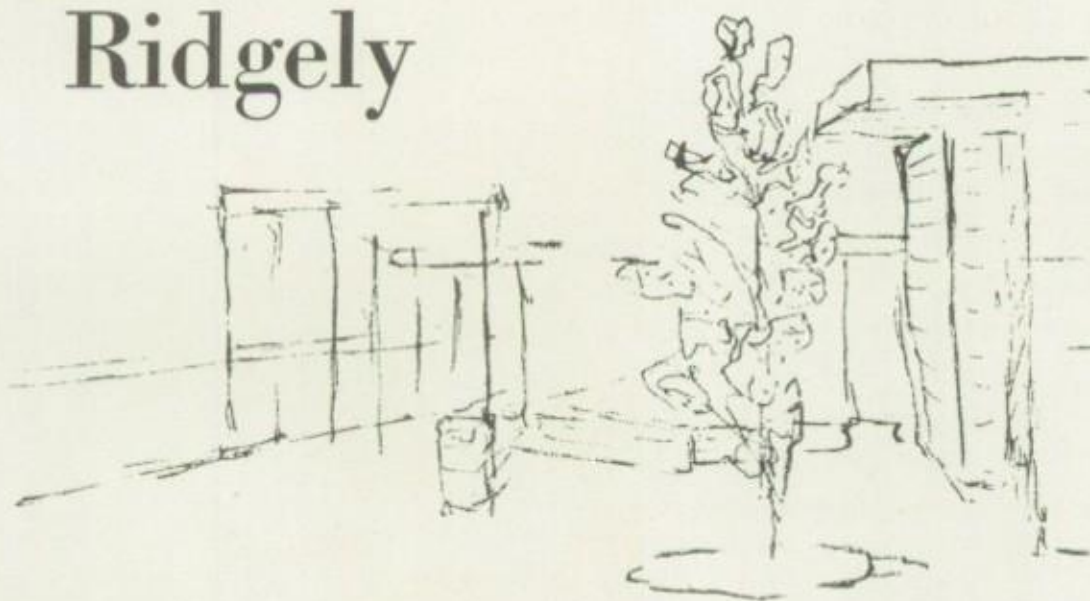

Ridgely Junior High School has enjoyed a rewarding and profitable year. Team teaching has been introduced in an experimental form by Miss Roberta Cottler, Mr. William Gehring, Mr. Franklin Lynch, Mr. Frank Barrier, Mrs. Vera Johnson, and Mrs. Eva Cooper in the eighth and ninth grades and proved to be quite successful. A Spelling Bee was held for Jr. High School students exclusively. Two field trips, one to Washington, D.C., and the other to the United Nations in New York City, were sponsored for the ninth grade in regards to their Civic's work. Athletically, a full schedule of intramurals was held, with high records of participation in basketball, wrestling, and lacrosse. Social functions have not been lacking either. Two orchestral dances were sponsored by Ridgely in December and April, not to mention several Jr. High backed record hops. A very active Ridgely has definitely contributed its part in making 1963 a vintage year.

EDITOR JOHN BISHOP

The HERITAGE Staff was organized in September, 1962, for the purpose of putting together a yearbook. Under the leadership of Mr. Frank Barrier, our advisor, and John Bishop, our editor, we have worked hard to try and capture highlights from all school activities. We all sincerely hope that you enjoy reading our yearbook as much as we enjoyed putting it together; and that it will bring back memories for years to come.

THE GRIFFIN

The Griffin, Ridgely-Dulaney's five column newspaper, is published ten times each year, usually once a month. The newspaper is written by the Journalism II class and has a circulation of about 1500 students. Journalism I, taught by Mrs. Carson, advisor to *The Griffin*, is a preparatory class for staff members. In 1962-63, the newspaper added advertising to help finance the publication. *The Griffin* is available to students who purchase activities tickets at the beginning of each school year. Seven staff members attended the 39th annual Columbia Scholastic Press Association Convention in New York City in March of 1963. *The Griffin* has been printed regularly for three years and holds a first place rating at Columbia.

The name, Griffin, comes from the mythical animal on the crest of Daniel Dulaney. A Griffin has a lion's body, a horse's head, and an eagle's wings.

Student Government

The Student Government Association, headed by Randall White, president, met every Tuesday this year seventh period. Delegates and alternates from every homeroom, contributed to the numerous motions brought up with spirit and enthusiasm. Several dances and activities throughout the year were sponsored by the S.G.A. Dances included the Junior High

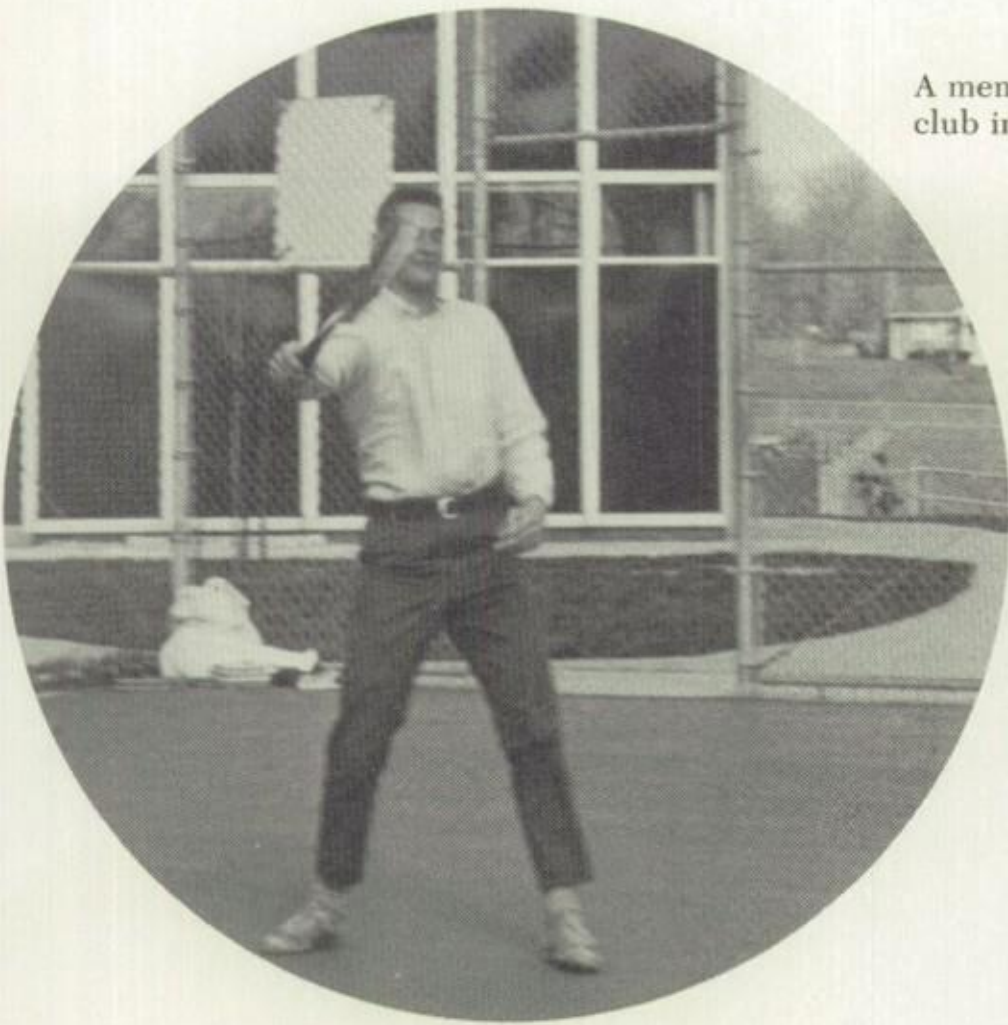

Snow Ball and several record hops after basketball games. The faculty game, held to bring an American Field Service exchange student to our school next year was a huge success, packing the gym with both junior and senior high school students. In October, the All-Maryland State Band met at Ridgely-Dulaney and enjoyed many activities planned by the S.G.A.

FALL ACTIVITIES

Senior Day

January 31, 1963—Senior Day! Seniors made worthwhile use of their special day and enjoyed every minute of it—except perhaps for a few trying moments while playing “teacher” or re-typing their secretarial work for a third time. Seniors dressed up in their class colors, green and gold and showed off new Senior Day '63 pennants. The faculty was invited to a seventh period afternoon class reception for punch and cookies and a senior art display organized by Betty Barr. That night the seniors sat together at a home basketball game and later adjourned to the cafeteria for a rollicking class pizza party.

The Class of 1964

The Class of 1964, under the direction of its sponsor, Mrs. Ellen Sauerbrey, has made strives to make this school year both memorable and enjoyable. The class council has tried to plan events which would benefit both the class and the entire school. Two traditional junior class activities sponsored by the class were the Junior Class Ring Party and the Junior-Senior Prom. The class has also joined the Seniors in the monitoring project this year, in paving the way for Senior Privileges next year.

Boys' J.V. Basketball

Although the Junior Varsity Basketball team members gained valuable experience, their record this season was two wins and ten defeats. Careless playing near the end of the games seemed to be the main problem with the team. This can be sufficiently illustrated by the fact that in six games, the losing margin was a total of 12 points.

Mr. Frank Magalski, coach, felt that the win-loss record did not do the team justice. Wade Webster and Kevin McCoughy were the co-captains of the team. The most outstanding games were played against Sparrows Point, Franklin, Dundalk and Hereford. The coach and team are both looking forward to a better season in the coming year.

Boys' Varsity Basketball

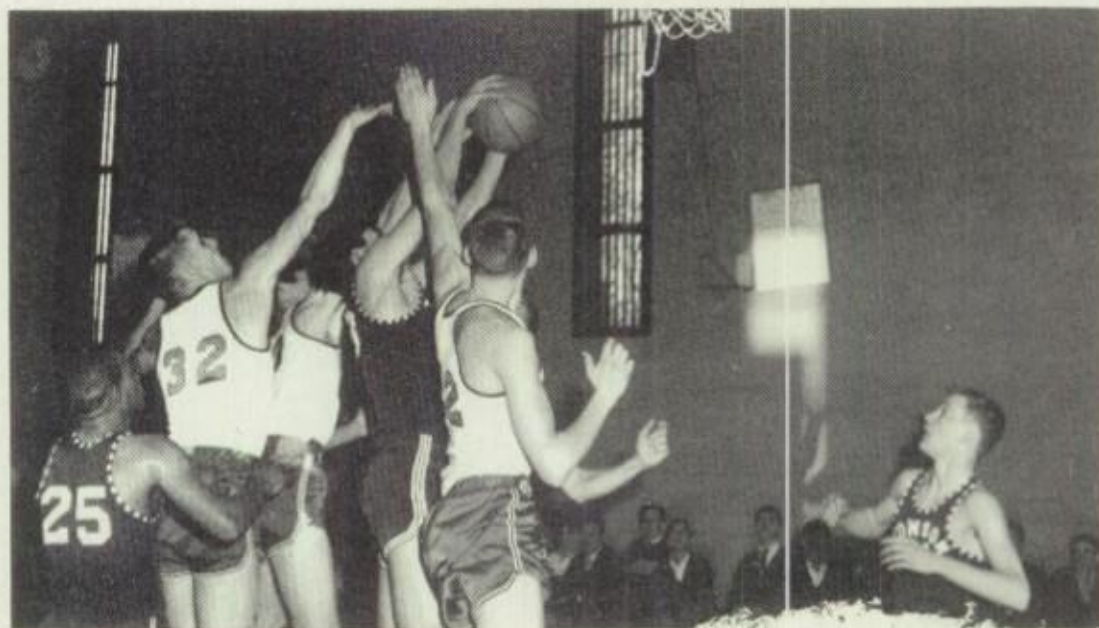

Dulaney's Varsity Basketball team did extremely well during the 1963 season. Under the coaching of Mr. Frank Magalski, the squad showed great capability. Even with the loss of the '62 graduates, whose places were filled by members of last year's J.V. team, the Lion's Varsity captured the Class A Championship of Baltimore County, and ended the season with a

comparatively impressive standing of five victories and seven defeats. They traveled on to play Fairmount Heights High School of Prince Georges County at Suitland High. This was the first time that Dulaney was in the competition for the State Championship and made an impressive showing in a close game against one of the State's finest teams.

Eleven pretty, pert, representatives of Ridgely-Dulaney dressed in bright uniforms of red and black stand out at every interscholastic sports event. These are our peppy cheerleaders. With routines that are a balance of precision, coordination, and rhyme, they enthusiastically lead the student body in cheers for Dulaney. Win or lose, they are proud to serve Dulaney.

Under the able direction of Miss Mary Ann McAdams, the cheerleaders willingly and faithfully gave up many hours of their free time in order to practice. Always striving for perfection, their goal was the inspiration of maximum school spirit.

Joined by their lively lion mascot, these talented young ladies are by far the most loyal of Dulaney fans.

Gymnastics

Our gymnastic team is unique as it is the first competitive team in Baltimore County. Several demonstrations, shows, and meets have been held in various county high schools and at Wicomico Senior High in Salisbury. The team has succeeded in making itself known as one of the highest ranking teams in Maryland.

The team members spend many hours practicing before and after school, during study periods and on Saturdays. The boys perform on such pieces of apparatus as the high bar, parallel bars, rings and the side horse. The still rings and uneven parallel bars are pieces on which the girls perform as well as doing free exercise. Don Spiker, Sandra Gunnarsson and Mary Currrens are the team's best performers and are three of the best gymnasts in Maryland. Coach McGinty expects a fine season next year with many underclassmen returning.

Baseball

Dulaney's Varsity Baseball team under the direction of Mr. Frank Barrier, and the J.V. Baseball team under the direction of Mr. Frank Magalaski, got the season under way in the win column. Dulaney's Lions scored an upset by defeating the league leaders, Sparrows Point.

This game, which was early in the season, provided the varsity squad with the needed incentive for the rest of the season. Coach Barrier said he thought his team had done a fine job and had high hopes for next year.

Softball

The Girls' Varsity Softball team, under the leadership of Mrs. McGinnis, experienced a run of bad luck in the 1963 season. Seven of the players, many of whom were valuable, were unable to participate during the first games because of injury or other reasons. Composed mainly of last year's J.V. team, only two of the varsity members returned this year. Mrs. McGinnis, holding strong under the pressure said, "we could have done well if we hadn't met hard times, but at least the entire team will be returning next year."

The Junior Varsity Softball team, captained by Carol Rathburn and under the direction of Miss Mary Ann McAdams, completed a successful and rewarding '63 season. These fifteen girls started off the season showing strong possibilities of becoming county champs. Composed of an all ninth grade infield, the team was sparked by its outstanding catcher, Connie Andrew. "If they weren't ninth graders, many would be boosting the varsity squad," said Mrs. McGinnis.

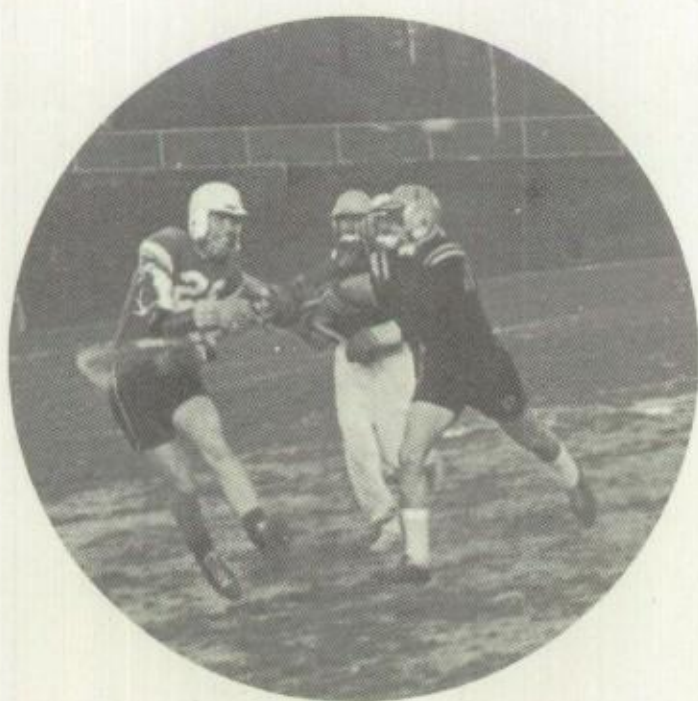

VARSITY SOFTBALL—Row 1: A. Anthony, A. Coon, B. Crawford, M. Hollenstein, K. Maddox, C. Butler. Row 2: J. Clatterbuck, P. Hofmeister (manager), Mrs. McGinnis (coach), M. L. Vanderbilt (manager), D. Mensinger, R. Lee.

Lacrosse

Ridgely-Dulaney's Junior Varsity Lacrosse team provided an exciting, successful season for its spectators this spring. Holding an outside chance at capturing the county championship, Coach Grenand is looking forward to many more victories in the coming year. Roger Schmenner and Ralph Alexander, both attack players, held the position of high scorers.
